Personal Biography.

I am an English native and fluent Spanish speaker having lived in Barcelona for the last eighteen years. I pursued a career in the music industry during the 1990's as a recording artist (Island records/ Rainbow Quartz Records/ Rondor publishing), and began work in film production in the year 2000. I have been working as a 1st. A.D. predominantly in commercials since 2004. I've worked in various countries, though the bulk of it takes place on mainland Spain & Portugal, and the Balearic & Canary Islands.
